

for what could be more reliable?

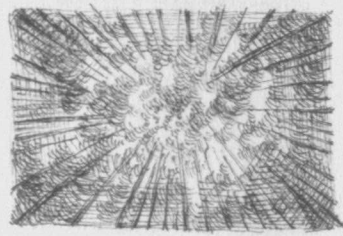

EACH SENSE HAS ITS OWN POWER. SOUND, FOR ONE, MUST BE MADE OF PARTICLES.

HARD ROCKS REFLECT THEM BACK TO US IN THE EXACT SHAPE OF OUR WORDS, IN PERFECT ORDER

LOCALS IMAGINE THAT SATYRS & NYMPHS HAUNT THESE PLACES

WHEN WE CRY FOR OUR LOST COMPANIONS AT THE TOP OF OUR VOICES

AND THAT PAN IS MILES AWAY, POURING OUT HIS SYLVAN SONG

AS FOR SCENT

SOME SMELLS ARE SUITED FOR SPECIFIC ANIMALS BASED ON THE SIZE OF THE PARTICLES

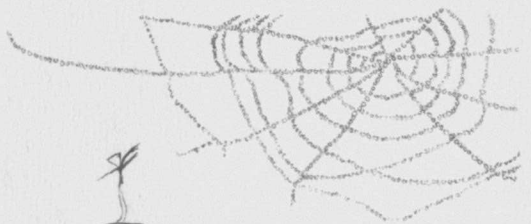

THE BREEZE DRAWS BEES TO HONEY

AND VULTURES TO CORPSES

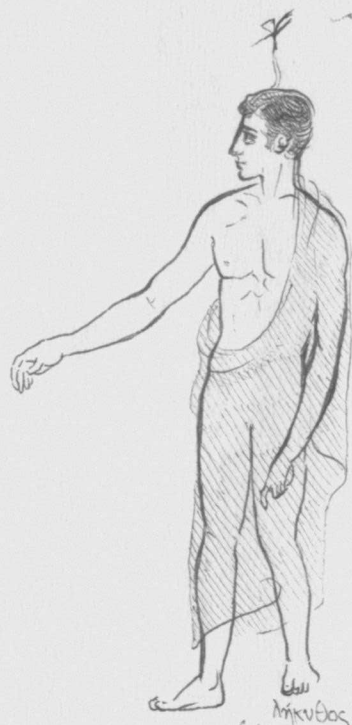

BUT VISIONS

ARE FINER, LIKE SPIDER SILK THEY STICK TOGETHER

IMAGES OF HORSES AND MEN MUST EASILY MERGE

FOR CENTAURS HAVE NEVER EXISTED

WE SEE VISIONS OF THOSE WHO HAVE MET THEIR DEATH

BECAUSE IMAGES OF ALL KINDS ARE MOVING EVERYWHERE

Mikvōdos (attributed to the Achilles painter.)
